

## **Southwark Children's Brass Band – Aims & Objectives**

*Our aim is:*

**To enrich the lives of young children through music with high quality group brass instrument tuition and public performance.**

*Our objectives are:*

- **To provide free access to children (aged 7 to 16) to learn music as part of a brass band, without barriers to entry and irrespective of family circumstance.**
- **To extend the experiences of children through music, with high quality group tuition.**
- **To give children transferable musicianship skills that will make a difference in their education and community life.**
- **To raise children's motivation, self esteem, persistence, self assessment and social confidence.**
- **To open and extend cultural experiences through participation in music for young children, their families and their communities in Southwark.**
- **To be part of a socially diverse group working together with shared aims.**
